**Experience The Freedom of Christ as Life!**

Kevin was born and raised in Ireland, and came to Christ through the ministry of a missionary there. Called to ministry as a teenager, he eventually assumed the oversight of New Life Baptist Church, holding the dual roles of pastor and missionary.

Debi Daly is the daughter of an American missionary in Ireland. A gifted musician, she served alongside Kevin as a pastor's wife and as a missionary wife on both deputation and furloughs.

Kevin and Debi understand the pressures of both ministry and life. They have found the transforming reality of Christ's life to be the only sufficient resource for the Christian.

Their ministry, ***Broken Chains International***, focuses on helping others experience the freedom of Christ as Life. It includes counseling pastors, missionaries, and church members, as well as presenting these life changing truths in local church conferences both in the United States and around the world.
