There is
a God in Heaven
who sees humans
and helps them

He has power to help
"We the People"

to bring
world-wide peace and
universal prosperity!

Our American *Heritage* Is Realized!

We have been amazed in studying American History and Our Constitution intensely since 2012 and to realize what it continues to do in the blessed nation we live.

This year instead of waiting for election day, as a family, we "absentee voted" and Pat took David and Joseph and their 3 bikes to Plymouth on an overnight trip Monday – Election Tuesday. They took in two tours of Plymouth, MA: they were walking/riding bikes as it was conducted. They originally intended to pray beneath *The Monument to the Forefathers* (illustrated, here) for our nation's election. They had 5 or 6 opportunities to share with groups and people there while

we all watched the spectacle of our Forefather's Wisdom to enact the Electoral College for such an event as this! We are SO BLESSED to live in the *United States of America*!

Dear Beloved Family & Friends, We Rejoice in Mary Davis

Mary Davis and Pastor Prince @ TBC

Early in 2014 Chris' sister began a missionary ministry

ry to Haiti with a Pastor who had her same vision for souls. His visit

with her to our church in video is linked at our site:

<http://aprayernotebook.net/each1helps1> She has been part of an evangelism reaching over 500 souls before October of this year. She found herself in the direct path of Hurricane Matthew, and has since been able to lead almost 40 to Christ in the storm's aftermath. All week long we awaited word from her not knowing whether she even survived. God answered in a dramatic way the next Sunday morning at the moment our Pastor Rowley prayed for her by name from the pulpit! We received the text that she was safe! Seated next to Christine was her sister Vicki Wise (here for that weekend only in a family visit)!

As you can imagine, the needs are immense in that country, food being the top of the list. Thank you each one for praying. See our website for the phone texts and all other info you may need. You may also call us!

*Please Pray...
for Pat's Acid Reflux condition
as it gradually worsens. He is*

trying detoxification and juicing to improve and accelerate healing.

28th Wedding Anniv. Trip to Mass Aug.18-19

We took time to study the work of two New England born World changer- men for our 28th wedding anniversary by traveling to Northfield, MA (D.L. Moody) and then Stockbridge, MA (Jonathan Edwards). We learned that individual men can exert tremendous influence on this world. One of the many things **D.L. Moody** did was build an incredible campus in Northfield commanding a student school inhabiting a chapel seating 2200 persons in what is now a vacant property there! We walked through his homestead in an excellent tour. See much more at www.northfieldopportunity.org **Jon Edwards** left his church in North Hampton as a renown Theologian when his ministry became unwanted and moved to the mission frontier town of Stockbridge to work with Indians. We naturally honor this in anyone, and his family was FAR above many others in influence as well as Moody!

Psa 19:9 The fear of the LORD is clean, enduring forever; The judgments of the LORD are true and righteous altogether.

Joseph Patrick Lanyon

Joseph has become a great blessing

to Our Family, To Truth Baptist, and to Pastor Harper in ministry. He also made himself busy this year setting up his bikes and then selling them on Craig's list. He truly has a gift to see a bike in his mind before he makes the 'pre-owned' bikes happily owned for a most reasonable price to each owner!

Psa 9:19-20 Arise, O LORD, Do not let man prevail; Let the nations be judged in Your sight. (20) Put them in fear, O LORD, That the nations may know themselves to be but men. Selah
